#### **DAY 6 – Slano – Mljet – Korčula**

The Island of Korčula is one of the greenest islands in the Adriatic Sea. Like most of the Croatian islands, the Greeks, who gave it the name Korkyra Melaina or 'Black Corfu' for its dark and densely wooded appearance, first settled Korčula. Today you will have a guided tour of the town, passing by its typical medieval architecture, including towers and clusters of red-roofed houses. Marco Polo, the famous world-traveller and writer, as well as a Venetian merchant, is reputed to have been born in Korčula. **Meals: B, L**

***DiscoverMORE:** Guided tour of Mljet National Park (additional expense)*

#### **DAY 7 – Korčula – Hvar**

Today, you'll sail towards Hvar. With its beautiful fields of lavender and carefully cultivated vineyards, the island is considered one of the most beautiful islands in the world. Carpeting the hillsides around its cozy harbor are terracotta-roofed villas, Gothic palaces and 13th-century ramparts rising towards an impressive citadel. During your included guided tour, visit the impressive bell towers of the Franciscan Monastery, St Mark's Church and Cathedral of St Stephen. **Meals: B, L**

#### **DAY 8 – Hvar – Pucisca – Split**

Your exploration continues with a visit to the coastal town of Pucisca. The town is known for having a special variety of stones which have been used to build part of the 'White House' in Washington DC. For many generations, locals have been making use

of the stone and as part of EmeraldPLUS, you will have a chance to visit a stonemason-school. Founded in 1909, the school provides educational support for local students, producing quality religious icons, fountains and statues. After the tour, return to your ship for an afternoon of sailing towards Split, the second largest city in Croatia and the largest city on the Adriatic coast. The city has some fantastic sights with both Roman and modern architecture. Enjoy a guided walking tour through the many façades of this beautiful city.

**Meals: B, L**

***EmeraldPLUS:** Tour of Pucisca & visit to a stone masonry school*

#### **DAY 9 – Šibenik**

Your day begins with a guided tour of one of the oldest towns on the Adriatic Coast, Šibenik. The rest of the day is free to enjoy beautiful Šibenik. **Meals: B, L**

#### **DAY 10 – Šibenik – Trogir**

Named after the Krka River, the Krka National Park covers an area of just over 55 sq. miles and includes two thirds of the river itself. The top attraction of the Park is its magnificent waterfalls, including the notable Skradinski Buk Waterfall which is one of Croatia's most famous sights. Later, cruise to Trogir, a town designated as a UNESCO World Heritage-listed site in 1997. Trogir is home to a number of fascinating historic sights and rich architecture. **Meals: B, L**
